SPECIAL LEGISLATIVE PUBLIC HEARING

Page 11

Well Winter got off to a slow start, but - when it hit - it seemed to hit us pretty hard. I hope all had an uneventful Winter, and we can all look forward to Spring starting in just a short time! We will all be complaining about having to mow the lawn and being too hot before you know it.

Things are progressing very well with the Division of Fire Standards and Training:

- 1) One pilot for the Fire Instructor I program has been completed with success, and the second is underway in the Town of Whitefield. We are looking forward to increasing our cadre of exceptional instructors to promote fire and safety education throughout the state.
- 2) We are just completing the three grant-funded Firefighter I programs held in Grafton, Coos, and Carroll Counties. With US Department of Justice funds, we have trained 72 firefighters to the Firefighter I and Emergency Response to Terrorism: Basic Concepts levels. We will seek additional funding to keep this program going.
- 3) We have once again started offering training programs for the private sector companies needing to comply with certain training programs. The program coordinator for our Industrial Section is Charlie Hall, the retired Fire Chief of the Town of Merrimack. To reach Charlie, call 271-6539 ext. 214.
- 4) We will be adjusting our policy regarding course registrations in the near future. We have usually allowed students to register for a program and pay prior to graduation. With the request to attend courses increasing, and to assure people actually attend courses they registered for, we will require that payment or department promise to pay tuition accompanies all registration forms. To help with this policy, we will also start accepting VISA and MasterCard so registrations can still be sent electronically.
- 5) Departments should remember that they are all granted two freebies at the Fire Academy or in the field offerings each year. Contact our office for more information!

Well I sincerely hope that Spring in this new millennium is prosperous for all our customers, and everyone continues to have a safe and happy year!

Sincerely,

Richard A. Mason, Director

Staff Biographical Sketches

The Fire Service News is continuing a column profiling Division employees in each issue. Customers will now be able to put a face with a name, and know who they are talking to when they call the Division.

DON PHILLIPS

Building Maintenance Supervisor

Don Phillips was born in Concord, NH. He graduated from Concord High School, attended two years at New England College, and served six years in the Army Reserve. He is in his sixth year at the Fire Academy as he started working there on July 5, 1994.

Don holds a Master Plumbers License, and worked in the plumbing and heating field 20 years before coming to the Fire Academy.

Don lives in Concord with Aggie. He has two grown children, John and Ellyn, and enjoys his three grandchildren. He also enjoys golfing, and visiting the coasts of Maine and the Carolinas.

LARRY WALKER

Maintenance Mechanic I

Larry Walker was born in Newport, Vermont, and grew up in Ipswich, Massachusetts. He started working at the New Hampshire Fire Academy in September 1994 as a Maintenance Mechanic I where he is well known for his humor.

Larry is active in the Masons, where he is Past Master of Saggakew Lodge A.F.&A.M. He is also active in Boy Scouting, which he has been involved in as a boy and as an adult for a total of 30 years; he is currently with Yankee Clipper Council.

Larry currently resides in Bradford, Massachusetts with Sandi, his wife of 29 years. They have three children-Skip, Mike, and Beth; and two grandchildren-Tabatha and Kala.

MATTHEW YEATON

Maintenance Mechanic I

Matt Yeaton was born in Concord, NH, and grew up in Epsom. He graduated from Pembroke Academy in 1995; while at Pembroke Academy, he attended the Building Construction program for two years at the Concord High School Vocational Center.

Before coming to work as a Maintenance Mechanic I at the New Hampshire Fire Academy in July of 1997, Matt worked for the Stove Barn in sales and in restoring and installing stoves. He also did work in landscaping and carpentry/dry wall areas.

Matt lives in Epsom with his parents, Mary and Larry. They share their farm with four dogs, several cats, a pygmy goat, and nine cows. Matt has two brothers, Jeremy and Keith. In his spare time, he enjoys snowmobiling and four-wheeling.

1998 FIRE SERVICE CASUALTY PROFILE

From the 1998 NHFIRS Casualty Summary, Fire Investigator Rob Farley of the NH Fire Marshal's Office reports that the fire service casualty profile indicates that male firefighters aged 30 to 39 are getting hurt most on Mondays between 0800 and 1600 hours at residential fires after fire department arrival during fire suppression activities exiting the fire scene. Their injuries are mostly minor in nature and consist of falling, tripping, straining, or contact with fire by-products.

HMEP GRANT-COVERED COURSES

The New Hampshire Division of Fire Standards and Training has developed the following policy, effective February 1, 2000, regarding Hazardous Materials Emergency Preparedness (HMEP) Grant-Covered Courses.

"When an organization is requesting HMEP grant funding for Hazardous Material Courses, the following procedure must be followed:

"1. A letter requesting the funding (on department letterhead) must accompany the Request for Course Approval. If the letter does not accompany the Request, the organization has one week prior to picking up the test box/materials to submit such a letter to the Program Coordinator.

"2. Upon return of test box, any unused materials must be returned to the District Secretary. If such materials are not returned with the course paperwork, the agency listed on the Request for Course Approval will be invoiced for those materials at regular cost.

"Items that are covered by the HMEP Grant are instructor fees, mileage, and student manuals. No Administrative Fees are charged to students affiliated with a New Hampshire Department taking a Hazardous Materials course covered by HMEP funding. Grant funding does not cover Administrative Fees for students not affiliated with a New Hampshire Fire Department."

NEW HAMPSHIRE FIRE SERVICE COMMITTEE OF MERIT

The New Hampshire Fire Service Committee of Merit has been resurrected! We are seeking nominations for acts of heroism in the New Hampshire Fire Service. Please submit nominations before June 1, 2000 to: NH Fire Service Committee of Merit, C/O Stacey DeVol, NH Fire Academy, 10 Hazen Drive, Concord, NH 03305.

The Committee will host an award ceremony on Wednesday, October 4, 2000 at the Fire Academy. More information will follow.

For more information, contact Stacey DeVol at 271-2661 or 1-800-371-4503.

NFSA Sets 2000 On-Line Seminar Series

Friday, January 21, 2000, Patterson, New York-Based on the outstanding participation by the fire protection industry in 1999, the National Fire Sprinkler Association (NFSA) will continue to provide online seminars into the year 2000. Below is the schedule for the next four months. The format will be the same as in 1999 except programs will start a half-hour sooner (Tuesdays, 10:30 a.m. Eastern) to minimize network congestion. Check out the NFSA website at www.nfsa.org for more information.

DATE	TOPIC
March 7, 2000	Sprinklers, Draft Curtains, Heat Vents
March 21, 2000	Water Mist Systems
April 4, 2000	Principles of Combustion
April 18, 2000	Roll Paper & Rubber Tire Storage Protection
May 9, 2000	Alarms for Sprinkler Systems
May 23, 2000	Water Spray Systems
June 13, 2000	Water Tanks
June 27, 2000	Sprinklers in Computer Rooms

Cost: \$50.00 per seminar for NFSA members; \$75.00 per seminar for nonmembers

Register for five seminars at once and pay for four (\$200.00)! Register for all ten seminars at once and pay for eight (\$400.00)! You must register for seminars simultaneously to receive discount. Certificate will be provided for a fee.

To register for On-Line seminars, contact Dawn Fitzmaurice at (914) 878-4200, ext. 33.

NH Division of Emergency Medical Services

NEWS NOTES

The newly-created Division of Emergency Medical Services is pleased to be relocated to the NH Fire Academy at 222 Sheep Davis Road (Route 106 South) in Concord! The Division's central office staff members are located on the first floor of the Academy.

As with any move, the logistics of transferring files and equipment has involved a considerable amount of staff time. The patience and understanding of our constituents and the Fire Academy staff is greatly appreciated!!

Contact information for the Division of EMS is as follows:

Office: NH Division of EMS
First Floor
NH Fire Academy
222 Sheep Davis Road (Route 106 South)
Concord, NH

Mail: NH Department of Safety
Division of EMS
10 Hazen Drive
Concord, NH 03305-0003

Staff: Division Office (603) 271-4568
Fax (603) 271-4567
Martin Singer, Director (603) 271-4569
William Wood, EMS Coordinator (603) 271-4615
Thomas Hettinger, Data Coordinator (603) 271-4891
Tammy Fortier, Licensing Coordinator (603) 271-7048
Suzanne Prentiss, Trauma Coordinator (603) 271-7046
Leonard Deane, Training Coordinator (603) 271-4565
Kimberly Mattill, Support Staff (603) 271-4568

The regional EMS offices remain in place and can be contacted as follows:

NH EMS Region I Office - Claremont:

Kathleen Doolan, Training Coordinator (603) 542-1863
Fax (603) 542-3533

NH EMS Region II Office - Manchester:

David Dow, Training Coordinator (603) 668-8420
Paula Godbout, Support Staff (603) 668-8420
Fax (603) 645-1709

NH EMS Region III Office - Epping:

Karen Louis, Training Coordinator (603) 679-5814
Fax (603) 679-3000

NH EMS Region V Office - Berlin:

Liza Burrill, Training Coordinator (603) 752-7531
Diane Lynch, Support Staff (603) 752-7531
Fax (603) 752-5103

Please do not hesitate to utilize the resources of our Division, and we look forward to cooperative planning initiatives with the EMS community.

NH FOREST FIRE SERVICES

News & Notes

Remember . . . Safety First . . . On Every Incident . . . Every Time!

- 1) SB336 has been introduced to change the fire permit law so that written fire permits are required for any open fire except when the ground is completely covered with snow. The Division of Forests and Lands is supporting this bill, as originally submitted, based on fire service response - contact us at 271-2217 for hearing dates.
- 2) Seventy-two communities have requested ICE grants totaling \$633,069 to purchase wildland fire suppression equipment and personal protection equipment. We strongly encourage these Fire Departments to purchase and get the equipment into service as soon as possible and request reimbursement as soon as equipment is received.
- 3) Upcoming training - We have scheduled the weekend of March 17-19, 2000 for wildland fire training at the NH Fire Academy. This training will include Fire Operations in the Wildland/Urban Interface (good for I.C. & company officers), Crew Boss (excellent for Wardens and others who are in charge of small wildland incidents), Squad Boss, Logistics and Maps, Compass & GPS Reading. Pre-registration is required. We will also conduct training in Squad Boss, Logistics, Maps, Compass & GPS as well as other courses at times and places to be announced. Check with your local Forest Ranger.
- 4) We are currently working on a process to allow local communities to hopefully be able to purchase wildland fire equipment through the federal government equipment office (General Services Administration). If successful, local fire departments would be able to purchase wildland fire equipment at reduced cost.
- 5) The Division of Forests & Lands continues to offer two types of Class A foam for sale to local fire departments. Both of these foam products are approved for wildland fire use on Class A fires by the US Forest Service. The two products stocked are competitively priced. The Division of Forests & Lands makes these products available to the New Hampshire Fire Service, but we do NOT recommend one or the other; it is the choice of the individual fire department as to which product they choose to purchase.

New Hampshire Federation of Fire Mutual Aid Associations

1) Laconia Fire Chief George Landry has been appointed as your representative to the 911 Commission.

2) The next meeting of the Federation is Wednesday, May 17, 2000 at the Lakes Region Communications Center at 1900 hours.

3) PLEASE - All Mutual Aid Associations - please send your list of current officers, mail addresses, telephone and fax numbers, and E-mail addresses to the Federation:

NH Federation of Fire Mutual Aid Assoc.
c/o NH Fire Academy
10 Hazen Drive
Concord, NH 03305

NHFA NEW EMERGENCY TELEPHONE NUMBER

The New Hampshire Fire Academy now has an emergency telephone number which may be used nights, holidays, and weekends to reach anyone who may be working or attending programs there during nonbusiness hours.

Please remember that this number is for **EMERGENCY use only**: 603-271-5296.

CREDIT CARDS

The Division of Fire Standards and Training will be accepting major credit cards within the next month to help facilitate the purchase of training supplies and prepaying for courses.

HUDSON FIRE DEPARTMENT HIRING

Firefighter/Emergency Medical Technician-intermediate

The Town of Hudson Fire Department is currently accepting applications for the positions of Firefighter/Emergency Medical Technician-Intermediate. This is a full-time position based on two (2) ten-hour day shifts followed by two (2) 14-hour evening shifts (42 hour work week).

Applicants **shall** meet the following requirements:

- Pass and be on the September 1999 NHFS&T exam list
- Current Career Firefighter or the new Firefighter I-B NH certification
- Certified Emergency Medical Technician - Intermediate
- Hazardous Materials Operations and Decontamination levels
- Possess a valid NH CDL

Interested applicants can obtain a copy of the position description, pay scale and application by contacting:

Deputy Fire Chief Gary J. Rodgers
15 Library Street
Hudson, NH 03051
(603) 886-6021

POSITIONS AVAILABLE

The Division of Fire Standards and Training has two vacancies for part-time program coordinators. They are for Promotional Testing and the annual Entrance Test. If you are interested, contact Bureau Chief James Litevich at 800-371-4503, fax a request to 603-271-1091, or email at jlitevich@nhsafetyfire.mv.com. Deadline for application filing is March 31, 2000.

IMPORTANT NOTICE

Tests/Retests Schedule For Fire Academy

The New Hampshire Fire Academy holds tests and retests the second Thursday of each month at 9:30 a.m. and at 6:00 p.m. Anyone needing to test or retest any written or practical examination may register by contacting his/her District Secretary at 271-2661 or 1-800-371-4503 as follows:

DALE BOYD: Hillsborough, Cheshire, Belknap, Carroll, Grafton, and Coos counties, as well as NHCTC students who attended before May 1, 2000.

STACEY DEVOL: Rockingham, Sullivan, Merrimack, or Strafford counties.

WANDA BOTTICELLO: NHCTC students who attend after May 1, 2000, and all students who attend programs at the Fire Academy.

You must register by the 1st of each month for that month's testing. If you try to register after the 1st, you may have to wait for the next month's testing.

Any required fees must be paid prior to the start of the testing, and must be paid by check or money order-no cash will be accepted.

KEARSARGE MUTUAL AID COMPACT, INC.

The next meeting of the Kearsarge Mutual Aid Compact, Inc. is scheduled for Wednesday, March 22, 2000 at 1900 hours at the Sunapee Fire Station on Route 11 in Sunapee. Nancy Lyon of the New England Canine Search and Rescue will make a 30 to 45 minute presentation on her specialty. A representative from the Upper Valley Response Team has been invited to attend with her to tell the Compact what they have to offer the region.

LISTSERVE

The Division of Fire Standards and Training is establishing a one-way listserve which is available. If you are interested, please email rmason@nhsafetyfire.mv.com to receive the directions to be registered with our listserve.

Fire Apparatus Pump Testing

SERVICE AND ACCEPTANCE TESTS TO MEET
NFPA AND ISO STANDARDS

PART-TIME FIRE INSPECTOR

TOWN OF TAMWORTH

\$20/hour; approximately 10 hours/month

The Tamworth Fire Department is seeking a highly motivated person to promote fire safety by conducting fire inspections, conducting plan reviews, conducting fire safety education programs and completing related reports.

Experience: Three years as a full-time firefighter or six years as a volunteer or on call firefighter with responsibilities in fire fighting or fire inspections. Each year of approved formal education in the field of fire science or engineering may be substituted for one year of full-time work experience or two years of volunteer or on call experience.

License/Certifications: Valid New Hampshire driver's license. Successful completion of NH Fire Standards & Training Commission prescribed certification requirements for Firefighter I.

To apply, submit detailed resume and cover letter no later than 19:00 hours April 6, 2000 to:

**Tamworth Fire Department,
132 Chinook Trail, Tamworth, NH 03886.**

NHFA ADVANCE PROGRAM ADVERTISING

In order to allow students plenty of time to set their schedules so they may attend programs they are interested in, the New Hampshire Fire Academy is now advertising programs months in advance. At the bottom of such advertisements, you will see a window period during which applications will be accepted. Applications received prior to those dates will be returned to the student.

Please also notice that applications may be submitted by fax; however, if the program cost is to be paid by the student, faxed applications cannot be accepted as payment must accompany the application.

We hope this system of advertising will benefit everyone. We have modeled our system after the New Hampshire University and the National Fire Academy systems.

Attention Fire Service Personnel:

SPECIAL LEGISLATIVE PUBLIC HEARING

The New Hampshire House of Representatives, Criminal Justice and Public Safety Committee will commence a public hearing at the Richard M. Flynn Fire Academy on Wednesday, June 7, 2000 at 7:00 p.m. The hearing will include fire training status throughout the state, and will discuss concepts in funding outreach fire programs and assisting fire training satellite facilities. If you wish to be heard or have ideas about funding, you must attend this hearing!!

For more information, contact Director Rick Mason at 271-6099, 800-371-4503, or at rmason@nhsafetyfire.mv.com.

SUBMISSIONS

Submissions to The Fire Service News are encouraged. For consideration, articles and photographs should be of interest to New Hampshire firefighters and the greater fire service community.
